WINTER ECLECTIC – RULES AND PROCEDURE 2026/27

1. **You can submit a maximum of 10 cards per course. Your first card submitted is a base card and the object is to improve your score at every hole with subsequent cards submitted.**
2. **Handicaps will be applied at an adjustment of 50% of course handicap at the date of submission of your base card.**
3. **You don't have to inform us of your intention to submit a card prior to playing and you don't have to submit your card if you don't want to.**
4. **Cards must be signed by your playing partner and mailed to stationmasters@live.co.uk asap after playing. A score recorded only for the hole/s you have improved on, is sufficient. Running totals will be updated by us every week and posted on the website.**
5. **You must play the course as you find it and accept that, due to maintenance etc, you may not have the opportunity to record a score on the same hole/s or layout as other competitors have had throughout the winter.**
